7. Repeat step 4-6 (going into the first chain of the previous row) for as many rows until you have reached your desired thickness.

## Cozy Winter Headband (cont.)

8. **To Finish:** Cut your yarn, and find the two chains that you started your row with, and do a slip stitch pulling the end of that yarn through.
9. Using your crochet hook or a yarn needle, insert your hook into the first half double crochet of your last row and pull the yarn through all the way. Go a little farther down your stitch and repeat this process.
10. Repeat step 9 for the other end of your yarn.
