Materials:

- US – K, 6.5mm hook
- US – I, 5.5mm hook (optional, for making tie on button only)
- 280 yds worsted weight yarn (Red Heart Boutique Unforgettable in Tidal shown)
- Optional: Button (1 1/4" or 32mm button shown)

NOTE: This pattern is worked in a spiral, so there is no join at the end of the rounds.

Find tons of free crochet patterns, tips and tutorials at AllFreeCrochet.com.

How to keep it SIMPLE while making this scarf:

1. If the starting chain is twisting up on you, try to straighten it out for the first stitch, but don't worry about getting out every twist – a couple twists are good! Keep going!
2. If you finish the first round and find out you've started with an "off" number of chains, pretend as if they're there, stick with the pattern and just keep going!
3. If you realize you skipped a stitch 2 rows ago, just keep going!
4. If you run out of yarn before you get through all the rows? Well then stop, because you're out of yarn, silly. Just skip to the end of the pattern and finish off as directed! Though you might want to pull out a row to make the tie at the end.

Here's a Chart to help you visualize how it comes together:

Instructions:

To start: Using K hook, ch 210.

Round 1: Work a sc in the first ch made, making the loop to work in the round. Dc in the next ch. *Ch 5, sk 5 ch, dc in the next 2 ch. Repeat from * until you have reached the end of the loop and there are approximately 5 chains left unworked.

Round 2: Ch 5, sk the remaining unworked starting chains and the sc from Round 1. Dc in the first dc from Round 1, then dc again in the ch 5 sp. *Ch 5, sk next dc, dc in the next dc and the ch 5 sp. Repeat from * until end of round.

Find tons of free crochet patterns, tips and tutorials at AllFreeCrochet.com.

6

Rounds 3 – 20: Continue working [ch 5, sk next dc, dc in the next dc and the ch 5 sp] in a continuous spiral. The pattern will seem to slant to the left as you work, as seen below. Stop when you count 20 rows of mesh, or when you're almost out of yarn. To finish off, ch 5, sk next dc, sc in the next dc, and use seamless join in the next ch. Weave in ends.

Instructions for the Button Tie Embellishment (optional):

1. Thread button on remaining yarn using a sewing or tapestry needle. Using I hook, ch for 18″.
2. Slip the button down close to the hook, and skipping over the button, sl st in the 2nd ch from the hook (trapping the button in the loop). Sl st back along ch for approximately 6″ or until this sl st section is long enough to fit around cowl when doubled, with a little bit of tension.
3. Ch 8 sts (for size button shown) or long enough to create a loop that fits tightly around the button. Sl st in the same ch as last sl st, sl st in next 2 ch.
4. Ch to same length as remaining unworked ch, approximately 12″. Break yarn and finish off ends.
5. To wear, slip button behind cowl and pull it toward the front. Pass button through loop made in Step 3. Let ends fly and jet off to the spa! Or wherever you want to look fabulous.

Lacy Spring Evening Scarf

By: Claire Martin from Horizontal Designs

Just because the weather is getting warmer, does not mean that you have to put all of your crocheted scarves in storage. This Lacy Spring Evening Scarf is the perfect crochet scarf pattern to make for those chilly spring evenings when you want something lightweight and warm. The open design of this scarf is timeless and classy and will look with any outfit. Plus, it's super easy to crochet and is made with less than one skein of yarn.

Lacy Spring Evening Scarf
This image courtesy of horizontaldesigns.blogspot.com

Materials:

- 6 mm hook
- About 1/3 - 1/2 skein of Patton's Lace Sequin Yarn in Aquamarine. You can make it longer and use more of course. I was surprised at how little yarn I used, because it is so lightweight and thin, it's a bit deceiving (in a good way!). This is one of my new favorite yarns :)

Find tons of free crochet patterns, tips and tutorials at AllFreeCrochet.com.

15

Notes/Abbreviations:

- This pattern uses the lattice stitch.
- Chain and stitch loosely for this look, using the larger hook with thin yarn like this keeps the scarf lightweight.
- Increase the foundation chain to the desired width if you crochet in a tighter fashion, just use an even number.
- ch = chain
- dc = double crochet
- st = stitch
- sk = skip
- * = indicated repeated part of pattern

Instructions:

Chain 18

Dc into 2nd st, ch 1, skip 1 st, *dc, ch 1, sk 1* <--lattice stitch, repeat across, then chain 2 and turn.

Dc in ch space, ch 1 across, ch 2, turn

Repeat to desired length, always dc-ing into the ch space

Optional fringe: I added a few pieces of fringe, kept it airy and lightweight for spring. Planning to make another in a new color and add beads!

Greek Goddess Summer Scarf

By: Anne from Handmade by [Anne Potter](#)

Lightweight and dainty, this Greek Goddess Summer Scarf is a great crochet scarf pattern to make for the summer months. Use mercerized cotton yarn to complete this crochet design. It measures 52 inches long and 9 inches wide. It's easy to pack if you're headed off on a tropical vacation. It's a chic and stylish accessory that any woman would love to have in her closet. The elegant, drapey design will truly make you feel like a true Greek goddess.

Greek Goddess Summer Scarf
This image courtesy of handmadebyannepotter.com

Materials:

- Yarn: Classic Elite Yarns Provence (100% Mercerized Egyptian Cotton, 205 yards [186 meters] /100 grams): 2609 Parchment (discontinued) 2 skeins. If you cannot find Provence by CEY, a great substitute would be Spa by Caron Naturally, or another dk-weight yarn. (I used 141 grams for my scarf.)
- Hook**:** P/10.00mm (large!)
- Tapestry needle

Gauge: 7 sts/4". An important note about gauge if you care: to adjust gauge, I would usually recommend going up or down a hook size. But because of the odd hook size (the next larger Q size hook is huge and I don't think an O size hook even *exists*), simply chain on more or less to your foundation row to achieve the same scarf dimensions given here; don't mess with adjusting gauge.

Find tons of free crochet patterns, tips and tutorials at AllFreeCrochet.com.

19

Instructions:

Foundation row: ch 101. Turn.

Row 1: starting in second ch from hook, sc across (100 sts). ch 2, turn.

Row 2: starting in third ch from hook, dc across, ch 1, turn.

Row 3 : starting in second ch from hook, sc across, ch 3, turn.

Row 4: starting in fourth ch from hook, tc across, ch 1, turn.

Repeat rows 1-4 five times.

Sc last row.

Finishing: Break yarn and weave in ends with tapestry needle.

Now sew together dog paw with pads to solid dog paw like you did with the head. Be sure to leave a small opening to lightly stuff with poly-fil before you completely sew it shut.

The dog bone fleece I found is currently being sold as a "dog blanket" at Jo-Ann Fabrics for only $2.50! I cut it into an 11x13 size piece and then crocheted around the edges.

To crochet around the edges you will first need a skip stitch blade to make holes around the edges. You will also need a 45mm rotary cutter handle. After you have crocheted around the edge of your blanket, sew head and paws onto the edging.

Not Your Average Washcloth

By: Sara Sach from Posh Pooch Designs

This easy washcloth pattern to crochet is a little bit different from the other washcloth patterns you normally find. The thing that makes this particular pattern Not Your Average Washcloth is the fact that is has a small pocket in one of the corners. This added feature is the perfect place to store a small bar of soap in the shower or to hold onto the washcloth as you scrub those pots and pans in the kitchen sink.
